**TIME-WASTING BY MEANS OF INTIMIDATION AND ATTEMPTS TO FORCE MIKE JAMES TO COMMIT PERJURY (BEAR FALSE WITNESS), WHICH CONTRAVENES THE LAWS OF GOD, JESUS CHRIST**

Three hours spent answering questions and testifying to the truth of the Living God Our Lord Jesus Christ; several minutes explaining that, as I had been born in England in 1959, God forbids me to bear false witness against a people whose alleged crimes I did not personally witness with my own eyes and a long reminder that all Englishmen are born free to think and reason for themselves. Additional conversations with legal experts as to the philosophical impossibility of conveying 'Volksverhetzung' (race incitement) in a letter addressed to a single individual. Several hours re-establishing the illegality of the European Union by dint of the BRD's illegal signature on the unconstitutional 'Treaty of Rome' and the fact that modern Palestinians (as DNA tests have proven) are the real descendants of the Children of Israel and not the Ashkenazi Jews (being non-Hebraic), who came from North Kazakhstan and converted to Judaism in the ninth century for pecuniary, political, and territorial reasons.
